

ELECTION PRAYER

*God of Mercy and Help,
as we approach another Election Season,
our nation is faced with many challenges.*

*May your Holy Spirit help each of us to discern
whom we should vote for at all levels of government.*

*Loving God, we know you favor no one
except those in greatest need,
those with little or no voice,
the pre-born, the poor, the immigrant, and the unwanted.
Help us to keep these brothers and sisters in mind as we vote.*

*May people be elected at all levels of government
who will best serve the common good of all people in our nation.*

May we have the fortitude to accept the outcome of the election.

Bless us, Lord, and bless our nation.

This we pray through Christ our Lord. Amen.
